4. Test cases:

Number	Type
1	Normal case
2	Normal case
3	Normal case
4	Normal case
5	Normal case
6	Normal case
7	Normal case
8	If case
9	If case
10	If case
11	Call test case #1
12	Call test case #1
13	Call test case #1
14	Call test case #1
15	Call test case #1
16	Call test case #1
17	Call test case #16
18	Normal case
19	Normal case
20	Normal case
20a	Data-driven test case

21	Normal case
22	Normal case
23	Call test case #22
24	Normal case
25	Call test case #24
26	Call test case #25
27	Normal case
28	Normal case
29	Call test case #28
30	Normal case
31	Normal case
32	Normal case
33	Normal case
34	Normal case
35	Call test case #34
36	Normal case
37	Normal case
38	Normal case
39	Call test case #34
40	Normal case
41	Normal case
42	Normal case
43	Call test case #42
44	Normal case
45	Call test case #44
46	Normal case
47	Call test case #46
48	Normal case
49	Data-driven test case
50	Normal case

5. Completion:

- Number of test cases: 50
- Number of iterations: 15
